

Recommendations:

When a user asks for a local recommendation, first verify which building they are in then answer with the following

- **Best cafes in the area**
 - **Cheap = Building 6**
 - **Convenient = Foodcourt cafes**
- **Best eating spots near campus**
 - **Spice alley**
 - **China town**
- **Hang out spots on campus**
 - **Redbull gaming lounge**
 - **The loft bar**
 - **Alumni Green**
